

Battle of the Cake

Cake bake off

- Cakes will be delivered to the Civic Center on Friday, February 1, 2019 between 4-5pm. (3) volunteers will be needed to receive and register cakes. (3) additional volunteers will be needed to set cakes up and cut for judging. Winner will be selected by judges and sealed in an envelope. Award will be given Saturday at 11am on stage.
- Each organization will be responsible for securing 1 judge as a total of 3 are needed. They should be available to potentially judge for 2 days.
- It has been decided that this Battle of the Cakes will be a sponsored event (a first for my understanding) with each organization responsible for securing at least 3 (1 of each level) as a minimum. That \$400 for each organization and sponsorships monies will be to secure prizes for each event.
- Saturday at the event we will need (4) volunteers to cut slices to be sold. We will need a volunteer from each organization to man the booth at selected times throughout both days.
- Domestic Violence will handle the responsibility of creating certificates of appreciation (Lucy)
- All organizations will be responsible for contacting businesses to see if they would like to participate. Contact lists will be provided so that there is no overlapping.

Jr. Cupcake Wars

- Event to be held Sunday at 12 pm. Judged on site by hopefully, the winners of Cup Cake Wars, Happy Cakes.
- Potential volunteers needed to help with cupcake decorating stations for the little one who can't compete. There will be more on this event to come.
